

Step 1

Use tab of Masking tape to position the graphics in place.

Step 2

Apply a tape hinge along the top or bottom of the year.

Step 3

Remove liner entirely. Hold year off of banner.

Step 4

Using firm pressure, squeegee parallel to the tape hinge, working over entire surface.

Step 5

Remove premask slowly at a 45° angle from top left to bottom right.

Step 6

**AND YOUR FINISHED!**
