

## Application Instructions for PEEL & REPLACE RECORDS BOARD

1.

Use the "Lil' Chizler" (provided) to get under the vinyl.

2.

Peel off the old record.

3.

If needed, use "Goo Gone" or other similar product to clean the surface. Test small area with cleaning product before using.

4.

Use tabs of masking tape to position the new record into place.

5.

Measure with a ruler to correctly align the record.

6.

Tape the bottom of the record to act as a hinge.

7.

Fold the record over and peel the paper off the back of it.

8.

Squeegee (provided) the record down onto the surface.

9.

Remove the tape and premask.
